Importance: High

Hi Jason,

As we discussed on the phone just now, ECRCO looks forward to discussing the case file 03R-19-R3 with you, and I am attaching the case acceptance letter for you. It's my understanding from you that you're unavailable on Thursday but are available for a call Monday at 10:00.

As I mentioned on the phone, we are willing to provide you a copy of the underlying complaint, but be advised that per EPA FOIA regulation at 40 C.F.R. §§ 2.101-2.102, in order for us to do so, you will need to file a Freedom of Information Act (FOIA) request. You may do that by visiting <https://foiaonline.gov/foiaonline/action/public/home> and clicking "Create Request". The content of your request can be as straightforward as asking for the WVDEP complaint, No. 03R-19-R3 and ECRCO in your request. As soon as we receive your FOIA request back from the National FOIA Office, we will process it for you. Content may be partially withheld pursuant to FOIA exemption(s) applicable for personal privacy information.

Best Regards,
